

Forest Park Swim Club 2018 Membership Application

NO Bonds, initiation or application fees! No other local swim club offers such a fantastic value! A lifeguard-supervised*, 80° heated pool, bathrooms with showers, picnic area, and grills available. Membership includes a 10-guest punch pass for use by your non-resident guests. That's a \$50 value!

* There may be instances beyond our control when a certified lifeguard is unavailable. In this case, instead of closing the pool, we will try our best to have a competent attendant on duty; otherwise the pool must be closed until either is available.

(Please complete all information listed below.)

Membership to the pool is included with your paid HOA dues of \$125

Residents must be current on General Association dues

___ Annual resident General association dues enclosed (\$125 or \$60 senior)

___ Annual resident association dues already paid

___ Non-Forest Park residents: \$200.00

* Only those residing at the member address are permitted.

** Single memberships are limited to ages 12 and older and must pass swimming skills test

Members must provide a photo of all persons on their membership.
